## EDITORIAL

### ANOTHER MILESTONE

With this issue, No. 100, we celebrate our 7th Birthday. During the past seven years, The Bugle has publicized service groups and events which covered a wide range of local and national activities.

We express our sincere thanks to our readers and advertisers for their generous support through the years.

The editorial staff, unit reporters, columnists, advertising staff and printers are to be commended for their untiring effort and planning in publishing a first class community newspaper.

Our wish is for continued success in the future.

### ADULTS MUST SPEND MORE TIME ON CHILDREN

Boy Scouts, Cubs, Guides, Tuxis, CGIT and other groups, organizations and "movements" for children and teenagers are more important now than ever before. Today's heavily-organized adult society leaves little room for unorganized and spontaneous recreation for youngsters.

Yet every organized group of youngsters requires an adult leader, and the sorry truth is that there are not nearly enough adult leaders.

Adults will spend any amount of money on their children, on expensive schools and playgrounds, clothes, cars and so on, for their children but they will not spend what the children need even more than money, namely, time...

Actually they are not too busy. It's just that they are not using their time where it is most needed and will do most good.

— Lethbridge Herald.

### WANTED — ADULTS TO SUPPORT THE PEDAL PUSHERS

Soon after Easter, (sooner if weather permits), representatives of the Provost Detachment in co-operation with the Griesbach Council will again be sponsoring the Pedal Pushers Safety Club. Details of the plan will be given to all parents at Griesbach by letter as soon as the registration date is decided. What is urgently needed for the safety campaign is ADULT ASSISTANCE!

An appeal is made in this editorial for all parents to help out by contributing some of their spare time in making the "Pedal Pushers' Club" a complete success.

## LETTERS TO THE EDITOR

Edmonton, Alberta

March 10, 1965

Dear Sir:

We would like to express our sincere thanks to Coach Gil Couture of the Engineers, Manager Ernie Simpson of the Service Corps for making it possible that several boys from Griesbach including our son, Douglas, play Bantam A.A. hockey with the Maple Leaf Athletic Organization.

Without their time and help these boys would have played little or no hockey at all this year.

Again — thank you both.

Sincerely,

George, Angela Couture

P.S. We didn't always agree with Gil, but we truly appreciate what he is doing for the boys.

Dear Sir:

A vote of thanks to the Camp Commandant, Mr. McNeill, Mr. Ulmer, Mr. Majakey, and teaching staff of Griesbach Schools No. 1 and 2 for "Exercise Hay Lake". Special mention to the Department of National Defence for supplying the cardboard boxes via — Sgt. Vallance, and to all who contributed to make the families at Hay Lake a little less destitute.

Sincerely,

Mrs. Vallance

 Pop Bottles - - 52.00

TOTAL \$144.00

The Group Committee for Cubs and Scouts would like to thank the residents of Griesbach, for their kind co-operation, and especially the Leaders who turned out for the paper drive. Also Sgt. Bill Davies, Sgt. Bromley, Cpl. Williams, and the two PPCLI Drivers, Pte. Waddell and Pte. Walsh, who all volunteered their help. Without the assistance of these public spirited people, the paper drive would not have been possible. Thanks again!

## for the Ladies

By Betty Hunter

Have you been looking at the new Seed Catalogues this year? Armchair gardening is most satisfying — all those exotic and temperamental plants are considered and we can plan a riot of colour and a display of rare blooms. Once that flight of fancy is out of our systems, and as the time for serious consideration of what we shall really be planting arrives, we have to eliminate anything that requires expert care, or anything that won't take a certain amount of abuse from dogs, cats and children. Already there are signs of life in the flower beds. I have seen pansies with fresh new growth and tiny blooms — and they are still half buried in snow! This is also the time to regret that we didn't plant more bulbs last Fall — those first tulips are always so welcome.

### EASTER

The Easter holidays will soon be here and many of us will be welcoming them with new Spring hats which are really lovely this year.

I am sure most of you have seen the pictures of this year's "Timmy" — a delightful looking little boy who has obviously learned to cope well with his handicap. There was a heart-warming article about him in one of the week-end magazines a few weeks ago, and after reading the story of 8-year old Roy Umbach, no-one could remain unmoved. So let none of us forget to send our contributions to the Easter Seal Committee — this is the way we can show our concern for those who have to struggle every day to do the things which we do without even thinking about them. We understand that one of Roy's brothers is serving with the Canadian Army in Europe, so this should give us an extra interest in this particular little boy.

### OPERA IN EDMONTON

The Edmonton Opera Association under the direction of Mr. Jean LeTourneau is presenting George Bizet's "Carmen" at the Jubilee Auditorium on Wednesday, April 21, Friday and Saturday, April 23 and 24. The Edmonton Symphony Orchestra, conducted by Mr. Brian Priestman, will provide the music. Miss Joyce Blackham of the Sadlers Wells Opera Company, plays the provocative Carmen. I attended a recent rehearsal of this well-known opera and thoroughly enjoyed it. This is a rare opportunity to see a professional production locally.

### Canadian Cancer Society

A blitz canvass for the Canadian Cancer Society will take place on Thursday afternoon, April 15th. The work of this Society, which is of vital concern to us all, is not supported by the United Community Fund. Their income is entirely dependent upon voluntary contributions and the hard work of the volunteer canvassers who will be calling on you.

Mrs. Harmar, who is in charge of the canvass here in Griesbach, still needs volunteers to help cover the PMQ Area. A baby-sitting service will be made available at the Chapel for mothers who would be willing to give a couple of hours of their time to help. The more people who can offer their time, the more quickly the job will be accomplished. Call Mrs. Harmar at 479-6094.

### PPCLI Jubilee Wives' Club

A meeting of the PPCLI Jubilee Wives' Club will be held in the P.T. Lounge on April 5, at 8:30 p.m. sharp. Considerable interest has been shown by members in taking a conversational German course, due to start in the fall. If any other ladies are interested, would they please call Mrs. Prouty at 474-4651.

Our guest for this month is the noted Edmonton hairdresser, Mr. Nels Todd, who will be giving a demonstration of hair styling and care.

The door prize this month is worth \$11.00. At the close of the meeting lunch will be served. New members are welcome.

### PEDAL PUSHERS

As in other years the Provost Detachment are conducting the Pedal Pusher classes. The emphasis in these classes is to encourage the children to use their bicycles with safety — to themselves and others. Mechanical

## Appointed C.O. at Cold Lake

Group Captain G. C. Buzza, of Hamilton, Ont., has been appointed commanding officer of RCAF Station, Cold Lake, Alta., Canadian Forces Headquarters announced recently.

A veteran of 51 bombing sorties over enemy territory with the RCAF during the Second World War, the 42-year-old officer previously served as senior aid staff officer Headquarters 1 Air Division in Metz, France.

checks of the bicycles will be carried out. The members of the Provost Corps will be giving their time to help us ensure that our children use their bikes with the maximum safety. However, the support of parents is also required. Many children will need individual help to understand the fundamentals which the Provost Corps will be covering, and it will be appreciated if those who may have even a few hours to spare will come out and help with the instruction of our children. S/Sgt. Wilson and Sgt. Lewis of 10 SDB are in charge of this program. A letter will be distributed to your homes giving you the dates when "Pedal Pushers" will start, as soon as the roads become safe for bicycle traffic.

### GRIESBACH FAIR

The Fair Committee is already planning activities for the Griesbach Annual Fair which will take place on May 29th. As in other years, there will be a Poster Contest and the annual Bicycle Decorating Contest will take place right after the parade.

### APPEAL FOR SOCIAL NEWS

May I invite you once again, to contact me with your Club notes, or anything you feel would be of interest to other residents of Griesbach. Many of the girls with young children aren't able to get out to all the activities, and I am sure they would like to hear about them. Phone me at home during the evenings at 474-2171, or during working hours at Local 560.

### C.W.L. ANNUAL GIANT BINGO

The C.W.L. Annual Giant Bingo will be held on Friday, April 2nd, so keep this date in mind, all you Bingo fans.

## REPORT FROM PISA

by Capt. Eric Roles

PISA, Italy — March 3rd, 1965.

Had a veritable gale in Pisa last night and was fearful that the leaning tower might topple. This morning the rumour was that the wind was from the other direction and had blown it upright! Either would have been a real calamity, for without the leaning tower, Pisa would have little or nothing to attract the tourist that neighbouring cities and towns do not have in equal abundance.

Via Reggio, up the coast a short hike, has just finished its "Karneval" to woo tourists to its beaches for the summer. Beautiful floats full of cranks and crankers inside to make the figures outside mobile. Floats so large that a ten or fifteen piece band spotted among the figures is hardly noticeable. And all the floats exhibiting the gay Italian ability to laugh at themselves while poking fun at others. The "Great Italian Lover" for example. Long, wavy black hair and extra long sideburns in the typical latin image of youth and virility. As depicted in the floats he was being adored by a great assortment of lady tourists from France, England, Germany, Belgium, etc. — all garbed in the skimpiest of bikinis — and not one of whom was a day under sixty!

But Italy's main claim to fame is probably her cuisine — pardon me — "la cucina"! The Italians say there are three secrets to "la buona cucina Italiana". The first is that everything one buys must be of the finest quality. Secondly it must be cooked in such a way as to retain its natural flavour. But third and most important of all is to love the art of cooking!

Last Saturday I took the one hour train ride to Firenze (Florence) and had a perfect example of all three secrets during dinner at the Ristorante Otello, which was recommended by the tourist information office. Now spaghetti turns out wonderfully on Italian movie actresses, but on me it just goes to the same place the German beer used to. So I played it cool and ordered a clear consommé and a Florentine steak. The consommé was excellent and the steak was the biggest and best I've seen outside of beef cattle country. But I could not help feeling a little cheated as I relaxed over a liquer and watched my neighbours being served.

First plates of spaghetti, ravioli, cannelloni and lasagna. Or great tea wagons loaded with assorted "antipasti" — Olives, gherkins, fish, shrimp and assorted seafood salads, etc., etc. Chef's salads whipped up at the diner's elbow in olive oil and vinegar, with choices of lettuce, tomatoes, eggs and several varieties of green things which I didn't even recognize.

Then the second plates — chicken cacciatore, roast turkey, small steaks, large steaks, broiled trout. Roast potatoes, baked potatoes, French fried. Green beans, green peppers, cauliflower, spinach. Or a selection of meats off the barbecue spit proffered for the diner's choice on a long rod reminiscent of shish-kebab except on a larger scale.

Next came the choice of dessert. Not whether to have des-

sert, but which dessert to have. Bowls laden with all kinds of fruit. Trays of cheeses to suit every taste. And another tea-wagon full of an irresistible assortment of cakes. White cakes with chocolate topping, chocolate cakes with white topping, white cakes with pale chocolate streaks throughout, and a variety of sauces for those who chose cake without frosting.

Finally a green liqueur closely related to creme-de-menthe served with the same loving care as all that went before it and savoured as lovingly and leisurely by the guests. And not a detectable burp from the whole assembly of diners. How do they do it? I wish I knew!

A final humorous note. In nearby Livorgno (Leghorn) there is a night club which features bar girls whose dancing company is obtained only by continually buying them drinks at exorbitant prices. Since this area of Italy is decidedly "pink", political posters abound. But the following sign which appeared outside the night club in question really shook everyone:

"GO HOME, YANKS — AND TAKE YOUR CHEAP CANADIAN FRIENDS WITH YOU!"

A silent tribute to Canadian good sense? Sgt. George Barton, the other Pisa regular, and myself like to think so, but we are still trying to live it down with our American friends and neighbours!

## 13 WORKS COY RCE

by Rosemary Parsons

Hello, everyone. A lot of water has passed under the bridge since you last heard from us. Here's hoping you will find our bits of news interesting and be a regular reader of our column.

During the past month we've had to haul out our handkerchiefs twice as we sadly said good-bye to Mrs. Nicoli (Liz) and Mr. J. Glenday. Liz has joined ranks at the Command Engineers Office but only for a brief stay for Liz and her family intend to spend the next couple of years in "Sunny Italy". Lucky gal! Mr. Glenday (from the Central Heating Plant) has retired after ten years of service.

The welcome mat was laid down for Mrs. Hunter. Betty, our new steno and Women's Editor of the Bugle, is busy making marks in her notebook which no one else can understand. Mr. P. M. Campbell has transferred from fighting fires to starting them in the Central Heating Plant. There is no need to worry though for Mr. Martin has taken his position at the Fire Hall.

Do the hospitals have a new staff of pretty nurses? This could be the explanation for the increase in sickness among the male staff. Pat McIntee!! stop teasing all the nurses. It seems they couldn't cope with all the excitement so Miles Beaton was sent home to recuperate leaving Pat to fend for himself. It seems like slippery ice has "struck" again and even a pile of snow doesn't make for soft landing. Hope your back will be better soon, Mr. Armstrong.

Spring is really here. Snowballs have been flying, men have been seen playing in puddles trying to create little streams but the surest sign of all is a new "hair do" proudly displayed by Whitey, the Elia Kuriarkan of the Draughting Section. Never mind, Whitey, the girls will still pursue you.

If you're wondering why Capt. Allen looks a little prouder and is wearing that happy smile... He has just been presented with the CD and Clasp.

Congratulations are heartily extended to L/Cpl. Murphy on his promotion. It seems his hockey team is having a bit of trouble. Controversy is prevalent among the personnel as to which team is the "best".

The general opinion seems to be — nothing will ever replace 5BX for keeping you in top physical shape. What's that I hear? Oh no! A limp or cane is only a mark of distinction.

Stop the press! Hold everything, two strangers just walked past. Well, for heavens sake! They're really two old-timers, WO 1 Jarvis and WO 2 Woof-finding, "boy" glasses make a difference.

Left - right, left - right, pick

up those feet, this has been the ring in Cpl. Brown's ears as he challenges the Sr NCO course at RCSME. L/Cpl. Domonick and Spr. MacMillan are anxiously waiting for the Jr NCO course to start. Spr. Shewchuk and S/Sgt. Cossey have successfully completed their courses MT Dvr Gp 2 and Fire Protection Course. Congratulations to you both. Sgt. Cassidy and S/Sgt. Ford have left for Eastern Canada on course. Enjoy the sunshine while you can.

## 13 Coy RCASC News

The following members of 13 Coy RCASC are posted and best wishes go with them.

Pte. D. E. St. Denis to CJATC Rivers, Man.

Ptes. H. E. Holbrook and L. D. Masse to the Middle East.

Sgt. D. J. McGuire is proceeding to the RCOC School to undertake the Work Study Course. Good Luck!

It would appear that the take-over of RCASC Supplies by Ordnance at Griesbach Barracks has fallen flat on its face at least for the interim. Perhaps this change was due in part to too much premature exuberance by certain individuals, or perhaps the organs (the envious eyes that is of the RCOC) were bigger than their internal cavity and they now find that digestion of the RCASC might be painful and discom-forting.

With certainty the RCASC Regimental March Past "Wait For The Wagon" will for sometime to come be encoed at military functions and elsewhere.

With reference to the permanent barbecue mentioned in the back issue of the Griesbach Bugle, it is strongly suggested that this also be deferred. It would be unfortunate and very unpalatable if instead of beef, fresh, on your rotisserie, that CAT No. 8430-21-104-7458 nomenclature "Shoes Service Mens' High, black, composite sole" were utilized because of unfamiliarity with food commodities. It has leaked out that identification of stores still poses a problem.

## PPCLI Depot News

MORO Platoon got under way on March 12. Lt. George Bordet (C Int C attached to 2 PPCLI), Sgt. Gordon Kirby, Cpls. Ernest Blume, Stanley Dell and George Ellicott are the instructors.

FRANCE FLANDERS Platoon graduated on March 11th. Major Gordon Henderson, Commanding Officer, PPCLI Depot, was the Inspecting Officer. Pte. Joseph McCarthy from Edmonton, was the Best Recruit.

Major Wally Mills and his training Cadre have just finished conducting a Western Command Junior NCO Bandsman course. The graduation parade, consisting of personnel from the RCHA, LdSH (RC) and PPCLI Bands was inspected by Lt.-Col. Laurie Watson, AAG, HQ Western Command, prior to their departure to their home stations. Lt.-Col. Watson also presented CDs to Band-S/Sgt. Smith and Band-Sgts. Brady and Hails.

S/Sgt. Ralph Grant has returned from Camp Borden where he attended the Judo Course at the Army Physical Training Centre.

Cpl. Arthur Tupper completed the First Aid Instructor Course at CFMSTC during February.

L/Sgt. Thomas Reid is now a Rescue Instructor having qualified at the RCS of 1 Rescue Instructor Technique Course and Sgt. Murdock Scott qualified at the Methods of Instruction Wing Camp Borden as an instructor.

Cpls. Jim Barker, Robert Lowrey and William Miller have been posted in from 2 PPCLI and we bid them welcome.

Farewells were said as Lance-Sgts. George Atchison and Robert Brignell departed for 2 PPCLI (Cpls. Heaver and Reid were appointed Lance-Sgts. in their place). Cpls. George Neil and Ron Nadeau were also SOS to 2 PPCLI, while Pte. Albert Beaudry (RCOC) was posted to 1 QOR OF C as a Corporal.

Cpl. Beverley Bailey left the PPCLI for the RCOC. No change in location or job but it will cost him something to have his shoulder titles changed.

Sgt. Joe Dunn has up and got himself released from the Army. After a varied career in the PPCLI climaxed as major domo in the Sergeants' Mess, he has departed for greener pastures. Our loss is Molson's gain.

After the many unfavourable comments about our last joke, we have decided to discontinue trying to give the residents of Griesbach something to laugh about.

## Retirement

Following a lengthy illness including a short stay in hospital, WO2 Ray Bird is enjoying a well-deserved rest basking in the spring sunshine at Whiterock, B.C.

Ray has not made any extensive plans for the future but does intend a trip back to the Yukon where he spent a number of years before, during and after World War II.

## Promotions

WO2 G. R. Lowe, after enjoying the duties of Squadron Sergeant Major as a Staff Sergeant for sometime, received his promotion on March 1st.

Our SSM admits the joys have not increased as a result of his promotion but agrees the Pay Corps tasks must have mushroomed when coupled with the retroactive pay increase.

Not to be outdone by others, Corporal L. Russell now boasts of the proverbial lightning striking twice in the same place. His present state of animation is reflected in an affirmative reply to his request for posting to London, Ontario, and promotion to Sergeant effective on or about May 1st. Captain W. R. Parker, O.C. Edmonton Troop, then handed Corporal Russell an immediate promotion to Lance Sergeant. The latter action may have been stimulated as a result of two previous quiet ceremonies when Sergeant B. R. C. Pierce and Corporal M. P. Kidd were called up with hat and belt to receive their Canadian Forces Decoration awards.

## Visitors

The Director General of Communications was represented on a visit to Western Command Signals installations recently when Group Captain D. B. Biggs, and Commander H. Shorten, arrived from Ottawa.

Major E. E. Doidge, Acting Command Signal Officer conducted the party on their tour of Headquarters Western Command and Edmonton Troop Alberta Signal Squadron. Following their brief tour, a lecture with slides on the subject of integrated communications was presented Signals Officers, and RCAF Telecommunication Officers at Headquarters Western Command Officers' Mess.

Group Captain Biggs is Commander, Canadian Forces Communication System and Commander Shorten is Navy adviser to Director of Communication Plans.

## VIMY

Dots and dashes still reach all parts of the world albeit very few emanate from this squadron.

One recent communication received from the Royal Canadian School of Signals Vimy Barracks, asks for the imagination of anyone interested in contributing their ideas toward redecorating the interior of the men's canteen and corporals' club at Vimy.

Word has circulated among Corps members, however there may be those recently transferred or many who have visited Vimy with an idea or suggestion they would like to pass along.

One feature of the plan is a

modern, colorful and sizeable bar. To make this bar unique, one of its walls will be decorated with "conversation pieces". These could take a number of forms such as a miniature leather saddle from Calgary, an Oopik replica from down North, placer gold from Edmonton, and so on.

Then there is to be a party room decorated in the travel motif to depict Signals "globetrotting" as a main decor. Domestic and foreign travel posters in vivid colors and suitable scenery would be ideal.

Anyone desirous of passing along any suggestions, posters or souvenirs, should communicate with the School or any member of Alberta Signal Squadron.

### ST. JOHN'S CHAPEL WOMEN'S AUXILIARY

On the evening of March 5, several of our members joined with the Ladies of the Protestant Chapel, RCAF Station Namao in the Women's World Day of Prayer Service. Mrs. Sparling, Dean of Women at the University of Alberta, gave an address on the theme "What Doth the Lord Require of Me".

On Sunday, March 7th, the morning Worship Service in the Chapel was conducted by W.A. members with Mrs. Harmer and Mrs. Jackson speaking on our Missionary work.

During the season of Lent, three W.A. Ladies are serving breakfast in the Conference Room for anyone attending the 7:15 a.m. Holy Communion Service each Wednesday morning.

Following our Devotional Service and business meeting on February 23rd, we had a mystery Auction. This proved to be an entertaining and profitable evening.

On March 9th, following the business portion of our meeting, we had as guest speaker, the Rev. C. Burton Rogers, formerly of Teslin in the Yukon, who spoke of his work with the In-

dians there. He also showed colored slides. His talk was most interesting as we have just recently sent 20 cartons of used clothing to help the needy Indians at Teslin — this being one of our yearly projects.

At our March 23rd meeting, Mrs. Dunkley of the Edmonton Parks and Recreation Department, gave a demonstration on the making of hats. This was much enjoyed by all present.

On March 20th, our annual Bean Supper, convened by Mrs. Gwen Jarvis, was held in the PPCLI P.T. Lounge. We wish to express our sincere thanks to all who attended and to all those who helped in so many ways to make this a success.

Please remember we are holding a Rummage Sale on Saturday, May 1st, in the Masonic Temple and we would appreciate receiving not only good used clothing, but all other articles suitable for this sale. So keep us in mind when doing your spring cleaning. If you call Mrs. Ethel Young at 479-4718 or Mrs. Evelyn Carriere at 477-5376, they will arrange to pick up anything you may wish to give us for this sale.

The W.A. is again taking part in the Cancer Campaign. Our members will be canvassing for this on the afternoon of Thursday, April 15th.

On Wednesday evening, May 19th, we are holding a "Games Night" in the PPCLI PT Lounge. This will be an evening of fun and games and refreshments will be served. Tickets will be available from W.A. members.

On March 1, we served lunch to the men attending the service that evening at the Hope Mission. Some of the members' husbands are painting the interior of the Mission. The paint for this has been donated to the W.A.

For our meeting on April 13, each member is to make a "Crazy Hat". These will be modelled sometime during the evening. The meeting will be held in the Conference Room of the Chapel commencing at 8:00 p.m. This will be a good opportunity for new members to come out and join us. If you wish transportation, phone Mrs. Mae Reeves at 479-5197.

#### RC CHAPLAINS

Today there are 47 RC chaplains in the RCAF regular force, administering to the spiritual needs and general well-being of some 46,000 of the faith, including air force dependents in some stations. There are 63 places of worship in the air force concentrations from Canada's DEW Line to the peace-keeping operation in the Middle East. The regular chaplains are assisted by 30 "officiating clergymen" of the RCAF supplementary reserve.

The 1965 issue of coins now in circulation is one of the most beautiful of the Elizabeth II coins. It has a new bust of the Queen wearing a diamond tiara, reverse of all coins remains standard.

## PPCLI REPORT

Spring is here and winter exercises are over for another year! The winter training programme was culminated by the Battalion moving into the foothills of the Rockies in the Hinton area. A week was spent in the field on an internal security exercise which marked the end, for the time being, of an intensive internal security training programme for all ranks of the Battalion.

During the last month we welcomed nearly a hundred young soldiers recently graduated from their recruit training at the Regimental Depot. These soldiers have arrived just in time to start training on unit courses and will, of course, be with us for the trooping and the summer concentration. During this spring and summer period, training will be conducted at a brisk pace and they will find their first few months with 2 PPCLI busy, but interesting ones.

Training in the Battalion during the months of March and April is taken up almost entirely by qualifying as many people as possible on Unit courses. At the time of this writing all support weapons courses are in full swing, we have a large drivers course, a signals course, a pre-junior NCO course completed, and a pre-warrant officers' course in its second week. The newer soldiers of the Battalion are moving down to Wainwright for their Group 1 Infantryman training.

The Airborne Company is active during this time of year. A

parachute drops involving almost 150 men were held on March 12 and 25.

On March 17 we celebrated an occasion very important to all Patricia's — the birthday of our Colonel-in-Chief, Lady Patricia Ramsay, CI, CD. The Battalion paraded in the morning and telegrams of greeting were read to all ranks.

#### Forecast of Coming Events

Another important day for the Battalion comes on April 25th. On this date we celebrate the Patricia's success at the Battle of Kapyong, Korea, in 1951.

Also during April, the unit will celebrate Easter with a four day week-end holiday. This short break will be a welcome relief from the hectic daily training schedule followed during this time of year.

#### Officers' Mess Report

The highlight recently was a "Meet the Air Force" party held on February 26. About twenty couples from 435 Sqn RCAF NAMAQ, visited for this successful event.

Major N. L. Topham has been posted to Regina and Lt. M. W. Smith to Valcartier, Que. The Mess welcomed back Capt. M. C. Stewart from a three year posting in Camp Borden.

That's about all for this month. In the next issue we will be able to publish how the officers beat the sergeants in our annual broom-a-loo competition March 17th, because of our superior skill at the game.

#### PPCLI HOME STATION SGTS' MESS NEWS

In the Mess there is a S/Sgt. who received a Canadian Forces Decoration on March 17th. It seems to most of us that it usually takes twelve years to receive same. How come yours took nineteen, Staff? Yes, we know, you were framed a couple of times. Other than the foregoing, the only real news is a flock of promotions. To the following we give our heartiest congratulations:

#### Promoted Acting Sgt.

L/Sgts. M. Chimko; N. G. Atchison; J. A. Cruise; W. F. Bolen; R. A. Brignell; J. J. White; and H. K. Grouette.

#### Appointed L/Sgt.

Cpls. H. P. Lauzon; B. D. Richardson; J. A. A. Gallant; G. E. Copp; R. Nadeau; W. G. Hodge; R. J. Heaver; G. B. C. Neil; P. D. Reid; and K. A. Reynolds.

#### Corporals' Mess Report

Congratulations to all those promoted Pte. to L/Cpl., L/Cpl. to Cpl., and Cpl. to L/Sgt. The best of luck on your new road to success! Congratulations also to L/Cpl. Herrington who just left the barrack room life and decided to take up marriage for a hobby. Best of luck to Butch, Duster, Larry and the Rodent who are the star hockey players, new touring the west coast.

We lost two members last month — Red (Andy Capp) Gray and P. J. Normand. A going away party was held in their honor after work on Friday, March 12th.

That's all for this month — hope to have more news in the next edition.

### Alberta Area Curling Championships

Winner of the Area Trophy in the Alberta Area Curling Championships, held at the Griesbach Curling Club, February 23 to 26, was the HQ Western Command rink skipped by S/Sgt. Thompson, with Col. Kearney playing third, Capt. Perry second and Sgt. Patterson lead.

The runner-up rink was skipped by Cpl. Knight, PPCLI Depot, with Cpl. Pringle playing third, Sgt. White second and Sgt. Smith lead.

Later both rinks represented Alberta Area in the Western Command Curling Championships held in Winnipeg, March 15th to 19th.

The final standings of the Alberta Area Championships were as follows:

- 1st — Sgt. Thompson (Griesbach) won 6; lost 1.
- 2nd — Cpl. Knight (Griesbach) won 5; lost 2.
- 3rd — Sgt. Willerton (Calgary) won 5; lost 2.
- 4th — S/Sgt. Tetlock (Wainwright) won 4; lost 3.
- 5th — Sgt. Thomas (Griesbach) won 4; lost 3.
- 6th — Maj. MacIntosh (Calgary) won 2; lost 5.
- 7th — Cpl. Cunningham (Wainwright) won 1; lost 6.
- 8th — L/Cpl. Barker (Calgary) won 1; lost 6.

Cpl. Knight defeated Sgt. Willerton in the Play-off to decide second place.

### Ladies' Curling Club

The members of the Griesbach Ladies' Curling Club met their stiffest competition of the year's play during the 4th Annual Emerald Bonspiel, held March 12, 13 and 14. Nineteen visiting rinks were hosted, coming from Ardrossan, Jasper Place, St. Albert, Spruce Grove, Broadmoor, Namao and one rink all the way from Viking.

It was a four event Bonspiel with four prizes in each event. Bessie King was the drawmaster. Elaine Atchison convened the committee responsible for the prizes and made a wonderful selection.

Saturday, all curlers attended a banquet of roast turkey with all the trimmings, served at the P.T. Lounge. An amusing programme followed, under the direction of Meg Kearney.

A very successful raffle was held, the prize of \$25.00 worth of Corning Ware being won by R. Hildebrandt of Sherwood Park.

#### RESULTS:

The play-off of the Grand Challenge for Universal Household Movers Ltd. Trophy was between the Lothian rink of Lancaster Park and the Cunningham rink of Ardrossan. Winner of the Trophy was Skip Margaret Cunningham, 3rd Anne Marler, 2nd Lillian Latam and Lead Janet Marler. Mr. Nimmo from Universal Household Movers Ltd., presented the Trophy and all other prizes in "A" Event. Third

prize in "A" Event went to the Taylor rink from Viking, and 4th prize to the Singer rink from Spruce Grove.

All other prizes were presented by Major E. Crosbie as follows:

#### "B" Event:

- 2nd: Lancaster Park, skipped by Jeffrey.
- 3rd: Young of Jasper Place.
- 4th: Hodgkinson, Griesbach Business Girls.

#### "C" Event:

The play-off game in D Event provided extra excitement when an 11th end was needed for the decision.

Sincere thanks goes to the Curling Rink Staff, those who acted as Judges, and everyone who helped to make the Bonspiel such a success.

### Alberta Area Curling Championship

#### WINNERS

Left to right: Col. Kearney, third; S/Sgt. Thompson, skip; Brig. Leech; Sgt. Patterson, lead; and Capt. Berry, second.

#### RUNNERS-UP

L/Sgt. White, second; Cpl. Pringle, third; Brig Leech; Cpl. Knight, skip; and Sgt. Smith lead.

### GRIESBACH JUNIOR HOCKEY THE BANTAM "AA" TEAM

The hockey season is now nearly over. Because of the severe winter this was a poor season for minor hockey, which, of course, has to be played in the Griesbach outdoor rink. However, in spite of the weather, for some of the boys in Griesbach this was a wonderful hockey season, especially for the Bantam AA's.

Many thanks must go to their Coach, Gilles Couture and manager Ernie Simpson who devoted a lot of their time, as well as to those parents who supplied transportation. By the time this season is over, the Bantam AA boys will have played about 60 games over a period of six months. In the Bantam AA League, **Patry and Wilson**, the name of the team which the boys played un-

der, won the North East Zone League Championship. They won the semi-finals and the finals undefeated. Now as league champions they will play for the City of Edmonton Championship. If this team is fortunate enough to win these two series, they will then go against Calgary for the Provincial Bantam AA Championship during the first week in April.

Win or lose this has been a wonderful season of hockey for our Bantam AA Griesbach boys. Thanks go to the sponsors of the team: Patry and Wilson, the Maple Leaf Athletic Club, (New York Rangers) their coach and manager, and the parents, who had to dig deep to equip and transport the team through this hockey season.

## RCEME BONSPIEL

The 4th Annual Alberta Area RCEME Bonspiel, held at Wainwright March 12 to 14, was a howling success. The games started on Friday and continued through to 5:00 p.m. Sunday. The "Bonspielers" sat down to the Banquet dinner at 5:00 p.m. Saturday, after an appetizer was served. During dinner we were entertained by WO2 (Dick) STORBO and his mandolin — I've — got — a — Tiger — By — the — Tail —, ably assisted by (Mitch) TOMLINSON. The STORBO / SMITH duet, "There's so Much More Between Us Than This Table", was a smash. (Foster) SHAW brought down the house with his stories of the Swede's first hockey game. After dinner Lt.-Col. H. GOODFELLOW gave his first 30-second

and speech in which he told us this was his final bonspiel with us. He proposed a vote of thanks to Capt. V. RODDICK of 229 Workshop for his help in organizing the bonspiel. The committee of 224 Workshop were thanked for the wonderful way they organized, arranged and baby sat the bonspiel. Once again thanks to "Wally" and "Robbie".

At the wind-up of the spiel the victors received their "spoils" from Lt.-Col. H. GOODFELLOW, once he was introduced for the procedure by the Acting Area EME, Capt. H. J. MILLEN. Lt.-Col. GOODFELLOW then gave us his informal farewell speech and presented the trophies and prizes to the following rinks:

## Golf News

The old Indian can have his own way of forecasting Spring, but when the golfers begin their restless buzzing and swarming, you can be sure a break in the Winter is near at hand.

The Griesbach Golf Association is back in business for 1965. The first General Meeting was held February 22nd, and elected the following new executive committee:

Major R. Richardson — President  
Sgt. H. H. Brown — Vice-President  
S/Sgt. N. Galbraith — Secretary  
Cpl. D. C. Jones — Treasurer

### Golf Clinic

In response to popular demand, a golf clinic was organized and held March 9 to 11 under the able direction of Sgt. Bob Tuttle at the PPCLI Drill Hall. A practice net has been installed, and is available for use every Monday, Tuesday and Thursday evenings from 9:00 p.m. to 10:00 p.m. Expert coaching will continue to be available each Monday until further notice.

### Modest Cost

The Golf Association operates under the Garrison Institutes and is formed for the purpose of providing exercise and recreation at very reasonable cost to all members of the Garrison and their families.

The cost of annual membership is \$2.00. This entitles the member to play at a good local golf course for 50 cents per round. There are good clubs and carts available for rent at a nominal charge.

Tickets for green fees are on sale at the Fire Hall every day, including week-ends through the co-operation extended by the Fire Chief and the Firemen.

### Tournaments

Plans have been made to continue holding the very popular monthly tournaments. The first one will be in the latter part of April, and will be held over a four day period, as in the past. Everybody will have a chance for a prize under the handicapp system.

Memberships go on sale April 1st and are handled by the appointed unit representatives. About 300 servicemen, civil servants, Mounted Police and their dependents join the Association annually. New members are cordially welcome.

### Found

The lady who left her Marilyn Smith right hand putter in the Drill Hall on March 11th, may have it returned by contacting Maj. J. G. W. Mills at PPCLI Depot.

The Western Command Open Invitational Bonspiel for 1965 is upon us. Play is from April 1 to 4 at Griesbach, Namao, Menorah and Thistle, with 96 rinks competing in five events. Spectators are welcome!

In Winnipeg, the Knight and Thompson rinks represented Alberta Area at the Command Bonspiel which ended March 19th. All Club 'Spiels terminate at the end of March, except that for "A" Men's League whose winning skips are:

"A" Evne — Brown  
"B" Event — Gladu  
"C" Event — Freeman  
"D" Event — Thomas

A General Meeting of the Curling Club will be held in the Club Lounge, Thursday, April 29 at 8 p.m. Members and prospective members for next season are cordially invited to attend.

## Baseball Softball

Spring is here again and with the advent of the warm weather boys and girls will be bringing out that well-worn glove and ball in anticipation of another season of baseball — softball.

The Griesbach Community Council will again sponsor leagues in accordance with the number of boys and girls applying to play, and subject to sufficient volunteers to administer the various leagues. Last year three leagues with a total of 12 teams played the full season.

Enclosed with this newspaper (in the PMQ Area) you will find an application form. Please send

your application as soon as possible, and in any case prior to the meeting to be held on April 26th. The annual organizational meeting will be held at 7 p.m. April 26, in the Conference Room Bldg. J-3 HQ Western Command. All those who have executive, coaching or umpiring experience, or are willing to help in any manner, are urged to attend this meeting.

Last year only 15 interested people attended the organizational meeting, and as only 53 applications to play had been received, few firm arrangements could be decided with the result that some delay was experienced in getting the leagues going. It is pointed out that a minimum of 40 volunteers are required to properly run three leagues with 12 teams which played last year.

Let's give the boys and girls an opportunity to participate in organized ball leagues. If you can help in any capacity, please attend the meeting on April 26. Ladies are particularly reminded that this meeting also includes them to ensure a girls' league or leagues will be operated.

### CAMP COMMENTS

Spring is in the air, and with it comes the usual postings, which means an increased workload for the Camp and Administration Staff.

The Camp Commandant, Maj. R. M. G. Groves, has returned to duty after a week's stay in hospital.

Miss Carolyn Hunt, one of our typists, is leaving on April 15th. We wish her every success for the future.

Pte. (Point 9) Gordie Schlagel took the plunge (married that is) on March 13th. Gordie is slated for a trip abroad. Best wishes go to Gordie and Stella.

FOOTNOTE: Sgt. "Gestetner" Smith has recovered nicely from the Mess Dinner. Them there stools are real tricky, eh Smitty? Happy Easter to all!

## Grand Challenge Winner

Mr. J. Nimmo presents the Universal Household Movers Ltd. Trophy to Margaret Cunningham and her rink from Ardrossan: 3rd Anne Marler, 2nd Lillian Latam, and Lead Janet Marler. The Trophy was awarded to the Grand Challenge winner in the 4th Annual Emerald Bonspiel, hosted by the Griesbach Ladies' Curling Club, March 12, 13 and 14.

## NUTS & BOLTS

by Cpl. J. Wuychuk

224 Workshop RCME welcomes Cfn. (Dave) HAY who will help out in the Electronic Section. One of the older hands is leaving for Civvy Street, Cpl. (Len) KLATT. The best of luck in all of your endeavors, Len.

Apparently it's never too late to learn, as one of our happy crew has found out. Cfn. (Buster) BECK is leaving for RCME School to pick up some new techniques in Welding.

### RCME/RCAF Recovery from the North

With the help of the RCAF and a Hercules aircraft, the 224 Workshop RCME recovery crew S/Sgt. (Bill) HARTLE, Cpl. (Tom) SHAW and Cfn. (Don) HANSEN flew North to recover two Robin-Nodwell oversnow vehicles.

To quote Bill HARTLE "As we were nearing Fort Greeley, Alaska, we were served hot coffee. At this moment the aircraft flew into air pockets and the fun began. Tom SHAW's coffee left the cup enmasse towards the ceiling of the aircraft. Tom was trying to grab a hand hold and catch the coffee on its way down, all at the same time. Both of these attempts failed badly. Simultaneously Don let go

of his cup, coffee and all. The three of us were showered with coffee.

Back to the recovery of the Robin-Nodwells. These vehicles were used in Exercise POLAR STRIKE held in Alaska. During this scheme two Nodwells got stuck in the river ice and had to be "blown" out. This of course didn't help their ability to go over snow anymore. So they had to be recovered.

When our recovery crew and Hercules arrived at Fort Greeley, the Nodwells were in the U.S. Army garage and had to be towed to the aircraft. This job was done by the M62 Recovery Vehicle. Once the Nodwells were brought to the Hercules air craft and lined up for loading, the electric winch of the aircraft towed them on board."

On this trip the recovery crew left Namao airbase at 9 a.m. on Monday and returned to Namao airbase at 12:30 a.m. on Tuesday. The trip and recovery took 15½ hours and 5,000 air miles. Once back at Namao, S/Sgt. HARTLE phoned WO2 D. STORBO to conduct the off-loading. The recovery crew thank the RCAF and their "workhorse",

### DID YOU KNOW?

by Sgt. Hal Nordin

#### SABOTAGE

The recent sad news of the killing of a night security guard and sabotage of U.S. fighter planes at the Municipal Airport, brings to mind the origination of the word "Sabotage".

It seems that many years ago in France, non-conformists in an effort to hamper the war effort, would jam their "sabots" (wooden shoes) into the machinery thus stopping the production of much needed war materials for great lengths of time until repairs could be carried out. This brought about the use of the word Sabotage.

#### BARBER POLE

The well-known barber pole is accepted by most of us as merely the symbol to indicate a barber shop. Did you know, however, that its original function was a practical one? It goes back too many years to guess its age.

In the far distant past, barbers were called upon to perform many tasks over and above the shave and haircut for two bits. Among these tasks, minor surgery was also performed by the adept hands of the barber. Removing tonsils was almost an everyday occurrence in the barber shop. It seems the patient was tilted back in the chair and a

round pole was placed behind him — one end beneath his head, the other suspended over a hole in the floor. The patient's blood (some of it) would run down the pole into the hole, thus keeping the shop nice and clean and free from blood splatters. At the end of the day, the barber would rinse off the pole and hang it outside the shop to dry. Because most barbers were tired at the end of the day, they didn't clean their poles too well, some blood was always left on the pole. After it was hung, a red spiral would form on the pole — giving it the pattern so familiar to us today.

Most barber poles I have seen are red and white, but the occasional red, white and blue poles can be seen — could be these may indicate the removal of tonsils of some blueblood...

## DEFENCE CHIEF HONORED

Air Chief Marshal F. R. Miller, Chief of Defence Staff, was made an honorary life member of the Military Engineers' Association of Canada at their annual dinner in Ottawa. In presenting the membership scroll Lt.-Gen. E. L. M. Burns noted that ACM Miller was one of a growing number of R.C.A.F. and R.C.N. engineers who now were joining the M.E.A.C. ACM Miller is a graduate civil engineer from the University of Alberta, he said.

### "I" Cadre News

Sorry we have missed so many issues but once again we were deluged by requests from our many fans for a resumption of our column,, so here we are.

Since we were last heard from we have had one Christmas, one New Year and three additions to our little empire. We have gained S/Sgt. George Rowland from BC "I" Cadre, S/Sgt. Frank Kelly from Alta Sig Sqn and Sgt. Ted Mousseau from Toronto. Being excellent volleyballers, they are all most welcome additions to our establishment.

WO2 Bill Wenker has returned from his tour of duty in Cyprus and I have heard it rumored that the peaceful little island will never be the same again.

The militia training program is now in full swing, so if you don't see your neighbor for a while and he is a member of the "I" Cadre, rest assured that he isn't away on another week-end party but is probably working. Now that the Loyal Edmonton Regt has taken over HMCS Nonsuch and renamed it Ortona Armoury, you can usually find the the Infantry members down there on a Saturday or Sunday. The only complaint so far with it is

the distance to and from the Kingsway Hotel.

Sgt. John Macaulay would appreciate hearing from anyone who has a pair of night glasses they would be willing to lend. Seems John doesn't have enough to do during the day, so he has volunteered for some more night training.

#### "CHALLENGE"

Anyone who believes that he has a volleyball team that would stand a chance against the "I" Cadre "Good Guys" can arrange a game by calling WO1 Demmy at 424-2721 any morning and we will be pleased to put on an exhibition of skill and grace at the same time demonstrate some of the finer points of the game. To the victor, of course, will go the usual spoils after the game.

#### PAYOFF YEARS, NOT FEARFUL FIFTIES

By Hal Boyle

Are you approaching 50 and feeling fearful?

Calm down, man. What's to be afraid of? You're just entering payoff years.

After being 50 some nine months now, I find it has turned out to be a far less shattering

experience than turning 40 was. Actually, if you have the sense to realize it, life at the half-century mark (and after) has certain advantages! It adds a few flavorful bubbles to the foam on the beer of existence. Such as — well, such as —

At 50 you don't have so much trouble finding a parking space. (You leave the car in the garage more often). You don't have to tear the house apart to find something to tie up a package with, as you never throw anything away, you have plenty of string. You're no longer in danger of getting a heart attack from running after a bus. (Why chase it — you can't catch it anyway).

Your clothing costs you less and less each year. (As you get stingier and stingier, you hate to put out money for anything new). Your wife's clothes cost less, too. (She'd rather put up with her old coat another year than listen to you complain about how high everything is getting these days). Instead of going to the barber every two weeks, you go every three weeks. (After all, what's left to cut)? You go to bed earlier and get more sleep. (Why stay up and watch the late film on television? You saw it 20

years ago at the movies — remember)? You eat less and your food bills go down, down, down. (You have finally learned — the less you overload your stomach, the less it has to gripe about).

You don't waste your energy on foolish things like chasing red-haired girls. You don't know any. And those you did know — well, their hair has turned to silver. You no longer have to fret about the future. The boss has let you know you don't have any. After 50 you turn away from big problems and see the beauty in small joys, and at last you have the time for them — time for gratitude, time to be kind, time to remember, time even to grow young in heart again.

Who, on the summit of 50, would want to be 20, and have to start the long rocky climb again? Who indeed?

#### FAMOUS CANADIAN ARMY BADGES

##### The Royal Canadian Regiment

The hat badge of the Royal Canadian Regiment is distinctive — it bears the Royal Crown and Imperial Cypher "VRI" of Queen Victoria.

Conferred on the Regiment by the Queen herself, the Crown and Cypher will remain forever on the badge thanks to King George V, who gave his consent following the First World War.

The RCR is based at London, Ont.

## Colonel Commandant of RCDC

The appointment of Brig. E. M. Wansbrough, of Ottawa, as colonel commandant of the Royal Canadian Dental Corps, has been announced by the Associate Defence Minister Leo Cadieux.

The five-year appointment will be another highlight in the career of Brig. Wansbrough, who served in two world wars, first as a machine gunner and later as a dental officer.

Appointed to the Canadian Army (Active) in November, 1939, he served in Canada and overseas as an officer of the RCDC for the most part attached to the Royal Canadian Air Force.

His appointment as director general of dental services came in 1946 with the Canadian Army (Regular) and his promotion to brigadier followed in August, 1951.

For six years prior to his retirement from the Army in 1959 he held the appointment of Queen's Honorary Dental Surgeon.

## Fill'er Up!

The operational support ship, HMCS Provider, had her work cut out for her during giant naval and air exercises such as Exercise Maplespring in the Caribbean. Flanked by the ocean escort HMCS Cap de la Madeleine (317) and the aircraft carrier HMCS Bonaventure, the Provider pumps fuel into one as she passes lines to the other. The operational support ship is equipped with facilities for furnishing mobile support which enables units of the fleet to operate for extended periods at sea. She can pump fuel oil to other ships and transfer heavy stores while steaming of speeds in excess of 18 knots. The winches controlling the lines between the ships are self-tensioning.

## Definition of a Soldier

Between the security of childhood and the insecurity of second childhood, we find the fascinating group of humanity known as "Soldiers". They come in assorted shapes and sizes. They can be seen in tanks, trucks and in the battle fields and various camps. In love, in a pub, and always in debt. Girls love them, towns tolerate them, and the government supports them. A soldier is laziness with a deck of cards, bravery with a tattooed arm, and a protector of the earth with a copy of Playboy magazine. A soldier has the energy of a turtle, the slyness of a fox, the stories of a Sea Captain, the sincerity of a liar, the aspiration of a Casanova, and when he wants something it is usually connected with a request form. Some of his interests are: girls, women, dames, ladies, females and the

opposite sex. His dislikes are: answering letters, wearing a uniform, the old man, CB and wakey, wakey. No one else can cram into a coverall pocket a black book, a packet of crushed Exports, a picture of his girl, a dirty comb, a church key, an old pass, and what little is left of last week's pay. He likes to spend money on girls, beer, poker, and the rest foolishly.

A soldier is a magical creature. You can lock him out of your house, but not out of your heart, you can scratch him off your mailing list, but not off your mind. He is your one and only bleary-eyed, good-for-nothing bundle of worries, but all your shattered dreams become significant when he comes home, looks at you with those bloodshot eyes and says: "Hi Ya... Honey".
